

## ATE Ceramic Brake Pads “350” Warranty Conditions & Terms

“350” refers to, 3 years or 50,000km warranty, whichever comes 1st, taking effect from the date and the odometer reading at time of installation.

**This 350 warranty is also subject to the following terms/conditions and or exclusions.**

- ATE Brake Discs: new ATE brake discs and ATE plastilube (where applicable) must be fitted together with ATE ceramic brake pads, otherwise the 350 warranty is void.
- ATE Brake Discs: when fitted “new” with new ATE ceramic brake pads the 350 warranty also extends to the ATE brake discs.
- Region: only applicable in Australia and only applicable if the ATE product is purchased from hsy autoparts p/l.
- Motor Sport: this 350 warranty does not extend to any form of motor sport activity.
- Off Road: this 350 warranty does not extend to any vehicle which is used predominantly for off road purposes.
- Application & Usage: no warranty is applicable if the brake pads are fitted/installed in any vehicle or for any purpose for which they were not specifically designed.
- Date/Odometer Registration: it is the responsibility of the repairer to clearly document and record the date and odometer reading of the specific vehicle in which the ATE ceramic brake pads are fitted, at time of fitment. Failure to do so will automatically void the 350 warranty.
- Other Terms & Conditions: subject to “hsy autoparts p/l” standard terms and conditions.
- Validity: ATE retains the right to modify, change, amend or terminate this 350 warranty without prior notice.
